

SCHOLAR LAB

April 5TH
4:30-7:00pm

Open Workshop

The 21st Century Scholarship Program is partnering with Ivy Tech - Anderson to host an evening for families and students to receive Financial Aid assistance. We will have FAFSA Specialists, State Financial Aid representatives and college experts available to answer questions.

Please take advantage of this opportunity to learn how to attend college for free in the State of Indiana, make the most of your financial aid opportunities, and ask questions. We are here to help you with every step along the way.
